Coach/Evaluator Comments:

"Over the past year, Magnus has transformed from being a mediocre high school kicker, into a legitimate college prospect. Magnus' work ethic is second to none and between his hard work in the weight room and smart work on the field, he will go into his senior season ready to hit any field goal that he tries"

--- Dan Zeidman: Owner and Head Coach, Lifetime Kicking Academy

“Magnus it has been a lot of fun to grow as a player and improve the last 4 years. You have put in countless hours of work on your own and in the off season to improve and it shows. Your leg is stronger and you are more consistent than you’ve ever been. I’ve witnessed your determination and the way you have worked to reach your goals. We have never had a kicker make the 1000lbs club before, something you should be proud of! I love your positive attitude and how you roll with the punches. It’s fun to watch you have success and contribute to our team’s success.” – Judd Benedick, Mountain View Football Head Coach
